

Dear St. Raphael Parents,

I hope everyone is staying warm. I can't believe how January has flown by and that Lent is a week away. This month has been a good one in the kitchen. Our two new meals were very well received and I will continue to add things as we go, still trying not to repeat during the month, not counting our meatless meals for Fridays and Ash Wednesday.

If you or your child has a meal suggestion, please feel free to call or e-mail me, I am always looking for new ideas (*not* New York Strip and Lobster Tails like a few kids have asked for). Please fill out the form below and turn into the office by **January 29th**.

This month's recipe is a much requested party item, great for your Super Bowl party, or to bring to the **PTA Trivia Night, Saturday February 2nd** (call me or Ann Rooney for reservations!) This is really easy and a great snack. Enjoy!

Amy

Bacon Wrapped Breadsticks

- 1 box Pepperidge Farm Sesame Breadsticks (these are in the snack cracker aisle at Schnucks, top shelf)
- 2 Pounds Bacon
- 2 cups Parmesan Cheese
- 3 tbs. Garlic Powder

Cut bacon in half. Roll bacon around breadsticks, one half piece per breadstick. Bake on foil lined cookie sheets at 350* for about 20 minutes or until bacon seems done. In a separate bowl, mix cheese and garlic powder. Roll breadsticks in cheese immediately after taking out of oven. Let cool on wire rack and serve.
