FATHER BOB'S COLUMN

ST. RAPHAEL PARISH MISSION BEGINS NEXT WEEKEND!

A renew program, entitled "Simply Live! True Religion for the 21st Century." will begin on Sunday evening, March 5th, at 7pm in church. Conducted by Father George Knab, OMI from Belleville, Illinois, it includes evening services at 7pm that last not much more than an hour. The services include preaching, prayer, song and ritual that open human hearts to the workings of the Holy Spirit. Father George will also celebrate morning Mass at 7am on Monday and Tuesday, and at 8am Mass on Wednesday and Thursday; he will give a brief informal talk afterwards in the St. Raphael Room in the Lower Level of the Parish Office. A complete schedule will be in the bulletin next Sunday. Plan to bring a friend or neighbor to the Mission.

Simply Live!

ASH WEDNESDAY BEGINS THE SEASON OF LENT THIS WEEK!

It feels warm enough lately that it feels like Spring and Easter must be getting really close. Well, not quite! But Ash Wednesday is here, March 1st. SRA will have the first Lenten Masses of the season at 7am, 8am, and 7pm, with distribution of blessed ashes during each Mass.

Ash Wednesday, the first day of Lent, is officially a day of fasting and abstinence. Abstinence means refraining from eating meat. Each Friday during Lent is still a day of abstinence from meat. (Personally I feel that it fits the sacrificial spirit of Lent on Ash Wednesday and Good Friday to even refrain from a sumptuous seafood dinner.) Fasting on Ash Wednesday and Good Friday means only one full meal a day with two smaller meals, and nothing between meals, except liquids. Again the idea is to make this a sacrifice offered in a spirit of penitence for our sins. No Catholic should lightly excuse himself or herself from this obligation, unless there is a serious health problem.

THE SEASON OF LENT – A TIME OF PENANCE AND RENEWAL TO PREPARE OURSELVES FOR THE GREAT FEAST DAYS CELEBRATING THE DEATH AND RESURRECTION OF JESUS – THE PASCHAL MYSTERY!

We should strive to make the Season of Lent like a spiritual “spring training” – going back to the basic skills of being a star player on Jesus’ team of disciples. This includes developing different forms of prayer and penance, including:

- Attending aily Mass at 7am (done by 7:30), or at least one extra Mass each week besides Sunday.
- Attending aily Mass at 8am (Mon.-Thur.) with our school children. This is especially good for school parents after you drop off your students.
- Starting a streak of 6 Sunday Masses in a row without missing even one – leading up to Easter. (Coming together as a family to one Mass is an exceptionally good idea.)
- Reading a passage from the Bible every day.
- Praying the rosary daily, especially along with your children.
- Choosing some extra forms of fasting, that is, giving up something that is good, just as a sacrifice for our sins – maybe TV, internet browsing, a favorite beverage or comfort food.
- Giving some extra time to help a neighbor or a friend.
- Making a donation to help the poor through our St. Vincent de Paul Society, our “Buy a Van” Lenten Project, your favorite charity, or a person in need.
- Visiting a nursing home or hospital.
- Coming to my weekly Bible Study on Tuesdays at 1:30pm, or our Lenten adult education program, “*Wild Goose*,” a video series on the Holy Spirit on Tuesdays at 7:30pm.
- Checking out this Eucharist Lenten program – livingtheeucharist.org/, or [daily Lenten reflections, dynamiccatholic.com/bestlentever/#signup](http://dailyLentenreflections.dynamiccatholic.com/bestlentever/#signup).
- Choosing your own good Lenten activities.

St. Vincent de Paul

Jesus tells us that our heavenly Father knows all that we need, and so we need to let tomorrow take care of itself, as today has troubles enough of its own. This month, through your gifts, the society of St. Vincent de Paul was able to serve a hot meal to over 160 homeless brethren at Saints Peter and Paul, and assist families in our parish boundaries with food, rent and utility bills. Thank you!

"The Church is Mother, and her motherly attention is expressed with special tenderness and closeness to those who are obliged to flee their own country and exist between rootlessness and integration. This tension destroys people. Christian compassion - this 'suffering with' compassion - is expressed first of all in the commitment to obtain knowledge of the events that force people to leave their homeland, and where necessary, to give voice to those who cannot manage to make their cry of distress and oppression heard. They are all elements that dehumanize and must push every Christian and the whole community to concrete attention." Pope Francis

PRINCIPAL'S COLUMN

Dear St. Raphael School Families and Parishioners,

Many of you have been asking for information regarding our school calendar for next school year; we are in the middle of that process and should have the basic calendar to share with you soon. The calendar development process works like this: I develop a first draft of the school calendar, taking into account all the state and Archdiocesan requirements, plus feedback and experience from prior years. I share the draft calendar with the Pastor for his initial approval. The draft calendar then goes to the School Board and the members offer advice and feedback. Then I share the draft calendar with our teachers who also offer advice and feedback. Finally I develop a final calendar that takes all of the above into account and share it with all of you! It's one of those situations where I know I cannot make everyone happy, but I do my best to meet all the school requirements and make as many people happy as possible.

Our Early Childhood Teachers (Preschool - 3rd Grade) received training last weekend on a handwriting program that SRA will be adopting called Handwriting Without Tears. This program is geared toward teachers from Preschool through 5th Grade, and it offers a systematic and effective method for teaching handwriting that has been very successful in schools across the country. The Handwriting Without Tears (HWT) program is based on both educational and occupational therapy ideas and concepts, and it offers us a way to guide our students' handwriting through all developmental stages in an appropriate way.

For example, one of the things teachers really struggle with is the way in which many students grip their pencils and other writing instruments. Our EC teachers learned that these inappropriate grips often can be traced to children using pencils, crayons, etc. that are too big for their hands at the early stages of fine motor development. In order to teach appropriate grip, HWT suggests that we only use very short pencils and pieces of crayons, thereby forcing the child to grasp the writing instrument with the thumb and first two fingers - try this at home - there's no other way to write with a stubby little pencil or piece of a crayon than with those three fingers! Does that mean that we are going to break all of our pencils and crayons? No, of course not...at least not right away!

We will continue to study the HWT program and try implementing small portions of it throughout the remainder of this school year. Our plan is to incorporate the HWT goals and standards into our St. Raphael curriculum for the 2017-2018 school year in Preschool through 3rd Grade. We believe that handwriting is still an important skill for our students to learn, even in this age of technology. Handwriting will always be used at some level, and the mastery of handwriting increases fine motor skills, requires periods of intense concentration, and teaches perseverance to our students, strengths much needed in this 21st Century.

Please keep our St. Raphael students and teachers in your prayers as we continue learning during this 3rd Quarter of school!

Peace,
Kim Vangel
Principal

St. Raphael the Archangel Online Giving

Stewardship is a way of life. It is a way of living each day in gratitude for all the blessings that God has given to us. The roots of stewardship can be found in the Bible, which tells us over and over that God is the Creator and Giver of all gifts. It is our responsibility to show our gratitude to God for these gifts, by giving back to Him the "first fruits."

Online Giving

Father Bob and our Parish Finance Committee urge everyone to sign up to use the St. Raphael Online Giving portal hosted and managed by Our Sunday Visitor, the same organization that provides our offertory envelopes. To access our Online Giving Portal, go to straphaelarchangel.org/give/online-giving.

About Online Giving at St. Raphael Parish:

"As each one has received a gift, use it to serve one another as good stewards of God's varied grace." 1 Peter 4:10

Reasons to sign up for Online Giving:

- Freedom from writing checks or bringing cash to church and free service
- Peace-of-mind knowing that St. Raphael is receiving your contribution even if you are unable to attend.
- More security than checks
- All contributions recorded for you on your bank statement with date of settlement
- Provision for a more steady and level stream of income for our parish

I hear music in the air!

Have you thought about.....

Giving the choir a try? In preparation for the season of Lent and the following Eastertide, have you considered singing in the Choir? Members are always welcome, at any time of the year, but with preparations beginning for Lent and Easter, now is the perfect time to try out the choir. The choir meets on Wednesday evenings from 7:00-8:30 pm in church. After a brief time you will see what a wonderful group of people the choir is! We rehearse, laugh, support one another and, of course, pray during our weekly rehearsals. We would love to have you! This is a perfect ministry for you to journey with during Lent.

There are also several opportunities for cantor positions. These are by audition only, requiring a vocal evaluation with the Music Director. Please contact the music department for an appointment - musicdirector@straphaelarchangel.org. If you have any questions, or you would like to start rehearsals, please call the music office and speak with Nancy Deacon 314.352.8100 Ext. 220.

St. Raphael's Parish and School

2017 Lenten Project

Buy-a-Van

For Queen of Peace Center

St. Raphael's Parish and School Lenten project is to raise at least \$20,000 to "buy a van" for the Queen of Peace Center.

242 women and children are transported weekly to Queen of Peace Center from places such as Queen of Peace Center sponsored housing. Without transportation, the nearly 1,350 women and children served annually would not have access to the Center. Queen of Peace Center is making health, healing and recovery possible.

Queen of Peace Center, part of the Federation Agency of Catholic Charities since 1985, serves the metropolitan and surrounding St. Louis areas.

At each one of the church entrances, we will display our progress to raising the \$20,000 during Lent; our children at St. Raphael School are doing the same and working hard to help achieve this goal! We can only "buy a van" if we come together as a Parish family.

Thank you!

Who is Queen of Peace Center?

Queen of Peace Center is a family centered treatment program with hope, dignity and respect. Family-centered behavioral health treatment provides women with the opportunity to heal from the wounds of addiction together with their children and family.

The Center's residential and outpatient treatment sites offer affordable programs by professionals who believe that quality treatment should be accessible to everyone. Various treatment options for women, children and family include:

- Children's therapy and community support
- Therapeutic daycare services
- Pregnancy support
- Childbirth education
- Family therapy
- Parenting education

To Learn more: <http://www.gopcstl.org/>

Please donate to this worthy project...

Your donation will ensure that hundreds of women and children have access to treatment. Queen of Peace Center families come without basic needs such as housing, healthy food, safety and social support. By engaging in services at Queen of Peace Center, families are stabilized and strengthened, assisting them on the path of independence.

LIFELINE COALITION CAMPAIGN STARTING IN MARCH

In view of the passage of Aldermanic Board Bill 203, which was vigorously opposed by Archbishop Carlson and St. Louis ProLifers, we need to re-double our ProLife efforts. One way to do that is to support the LifeLine Coalition Campaign that will begin on Sunday, March 5 and extend through Sunday, March 19. The LifeLine Coalition is a group of ProLife social service agencies that provide women with assistance for medical expenses, housing, food and clothing. They also offer educational and spiritual guidance, counseling, and adoption services. The Coalition contributes 1% of its annual budget to the Blessed Teresa of Calcutta Fund that assists families with a temporary financial challenge. Your March packet of envelopes will contain the LifeLine Coalition envelope. Watch for it and help us build a Culture of Life. The St. Raphael ProLife Committee
