A PRAYER BEFORE HOLY MASS

Heavenly Father: I, your unworthy servant, come to worship You in this Holy Sacrifice of the Mass. By Your grace, kindly help me to listen attentively, pray devoutly, and receive worthily the Sacred Body and Blood of Your Son, our Lord Jesus Christ. May Your Holy Spirit open the eyes of my heart to perceive more fully the great Mystery that takes place on the sacred altar. At this Holy Mass, I wish to pray in particular for the following intentions: *(here name them)*. Amen.

Fr. John's Digital Quill for Spiritual Musings and Parish News

From the United States Conference of Catholic Bishops

The U.S. Senate recently failed to pass the Born-Alive Abortion Survivors Protection Act—legislation that prohibits infanticide by ensuring that a child born alive following an attempted abortion would receive the same degree of care to preserve her or his life and health as would any other child born alive at the same gestational age. Please join us in prayer for an end to infanticide:

“Jesus, Lord of Life, transform the hearts of all elected leaders to recognize that infanticide is wrong and must not be tolerated. Open hearts and minds to recognize and defend the precious gift of every human life. Amen.”

40 Days for Life

This week, I sent out a Flocknote announcing next Sunday from 11:30am-2:00pm, St. Raphael the Archangel is sponsoring, in conjunction with the 40 Days for Life campaign, a prayerful vigil in front of the Planned Parenthood clinic in the Central West End.

While Planned Parenthood will be closed that day, our prayerful witness to those in the neighborhood and visiting the Cathedral will remind them of the dignity of life and the need to respect it from conception to natural death.

If you have never prayed before an abortion clinic, this is an opportunity to do so in a low-stress way. Know that our prayers will help those praying and speaking with women and families during the week when the clinic is open.

Please signup either on Signup Genius online or on the signup lists in the Jamieson vestibule.

Parish Penance Service

This Thursday, we invite you to come for a short penance service and confessions. (Continued on Next Page)

Reflecting on our Gospel for this Sunday, we may feel a bit like the Prodigal Son. It may be so long since we have been to confession or we may have done something that it's best not to talk about, but just to move forward. The Father, as we hear in the parable today, yearns for us to come home. He is waiting for us. If it has been awhile, do not worry. If you have something to say that is challenging, the priests who will be here and I understand! Do not let these reasons prevent you from receiving the forgiveness you desire in your heart.

Perhaps you feel a bit embittered right now. Perhaps it is due to anger or lack of forgiveness, feeling that life is unfair, or questioning God and His plan for your life. Confession is a great time to put those things out there just as the older son finally did to hear the response of the Father.

Maybe you even feel like the Father, desiring to extend forgiveness to another or to forgive yourself. Confession is a great marker in this process as well.

Wherever you are in this story, I encourage you to take time this Lent to receive the Sacrament of Confession. If not this Thursday, then at another time we offer confession or at a neighboring parish.

FROM ST. VINCENT de PAUL SOCIETY

In today's Gospel, the prodigal son repents and finds mercy in the heart of his father. Know that your penance during Lent can give the poor the grace of finding the merciful heart of God the Father. In the month of February, because of your gifts, St. Vincent de Paul was able to assist many families by providing food and helping with utility, rent, and other bills. Thank you!

STEWARDSHIP REFLECTION

"No longer was there manna for the Israelites, who that year ate of the yield of the land of Canaan."

Over the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon as they were able to enjoy the fruits of the Promised Land, the manna ceased. Likewise, God's blessings to us may change over the years but it is important to trust that God will always provide us with all that we need.

School News

News Around the School

Third Grade Ms. Susan Polson

Each third grader researched a president. We read from different sources about our president, took notes and wrote a report in our own words. Many of us drew a timeline as well. The most fun part was sharing all our knowledge with our classmates. Hanleigh had Ronald Reagan and she even brought jelly beans for everyone. We have talked about the three branches of the US Government: Executive, Legislative, and Judicial. Father John came and spoke to us about the Fourteen Works of Mercy. In preparation for his lecture, we made posters depicting seven Corporal Works of Mercy on a “hand” and seven Spiritual Works of Mercy on a “brain.”

6th Grade

In sixth grade English, we are working on modifiers (adjectives and adverbs) but will soon be wrapping up this unit. We will then be moving on to capitalization and punctuation.

The students are also learning about the Maya, Aztec, and Inca people. They will be creating their own quipu, a device used by the Inca to send information from one place to another.

PE Mr. John Bruno

Over the past few weeks, the students have been exercising with jump ropes. They were introduced to various activities that required using the jump ropes in different ways, such as working with partners and in small groups. They are accomplishing rhythm, agility, and cardiovascular exercises. The students also did activities using balloons. These required the students to jump as many times as they could before the balloon hit the ground. The students had fun with the Limbo game, which required flexibility, and the Daytona 500 game, which used the jump ropes as a race track with them racing against each other. We had the Beach Boys music playing as they raced.

Congratulations to our 3rd and 4th Graders who recently participated in the Archdiocesan Music Festival. Great work (and sound as well)!

The school will be doing Homers for Health again on Friday, April 12. If you would like to help Mr. Bruno with this fun event, please let Susie Irons know at irons@straphaelarchangel.org.

SPECIAL SHOUT-OUT TO TOM FINAN AND MATEO SWITZER

Congratulations to both of these young men for their outstanding success. Tom Finan placed 1st and Mateo Switzer placed 2nd in the SRA Geography Bee. As SRA's champion, Tom moved on to the second level of competition and submitted an online qualifying test to the National Geographic Society. He has been invited to continue as one of the 100 top-scoring students in Missouri.

The National Geographic Society also has notified Tom that he is one of the semifinalists eligible to compete in the 2019 National Geographic GeoBee Missouri State competition.

Congratulations on their achievements!

Come and spend some prayerful time at this retreat. In carrying the cross, Jesus suffers the heaviness of weight and grief; yet receives the strength and grace to complete His walk in order to move forward. Along with Jesus, we invite you to come forward, too: “Get up, let us go” (Matthew 26:46).

The retreat, which takes place in a confidential, home-like setting, is open to any women who is suffering from an abortion experience. The retreat will give you the opportunity to spend that quiet time you need to walk with God. All information will be kept confidential.

The retreat is led by Marisol Pfaff, a certified spiritual director and Project Rachel Coordinator for the Respect Life Apostolate. She has extensive experience leading women to find spiritual healing. In addition, Marisol suffered through an abortion herself and wants to help you bring forth the healing grace that God wants to give you.

The Sacrament of Reconciliation and the Holy Sacrifice of the Mass will be offered. Fr. Tom Pastorius will be available the entire day.

The cost for the retreat is \$30 with a \$10 deposit at time of registration; financial assistance is available. Location is confidential until you register.

Project Rachel, a program of the Respect Life Apostolate of the Archdiocese of St. Louis, ministers to women who have suffered the trauma of an abortion experience through free, professional, and confidential counseling, spiritual support groups, spiritual direction, reconciliation, and retreats.
