## Fr. John's Digital Quill for Spiritual Musings and Parish News

*From Archbishop Carlson*

Dear Friends in Christ,  
On Sunday, October 7, 2018, there will be a special collection for the formation of permanent deacons in the Archdiocese of St. Louis. This collection relieves some of the financial burden to become a deacon. Since 1977, 465 men have been ordained as permanent deacons in the Archdiocese. There are 197 active deacons ordained for the Archdiocese and 82 retired deacons. There are 44 men in formation at this time.

When the permanent diaconate program was initiated in the Archdiocese in January 1977, men went through a two-year formation program, with a third year of post-ordination formation. Since then, the program has gradually expanded to five years of formation, plus three more years of post-ordination formation.

Deacons serve in parishes, hospitals, archdiocesan agencies, and other organizations. There are six deacons who serve as Parish Life Coordinators. Half of the active deacons continue to work full-time jobs, requiring them to balance family lives and professions with their ministry as a deacon.

During formation and after ordination, deacons offer their time, personal gifts and material goods to build up the Church in the Archdiocese without compensation. Their service extends into many areas of parish life, as they assist all of us in carrying out the mission of the Church.

Please support the formation of permanent deacons by promoting the special collection for the Formation of Permanent Deacons on Sunday, October 7, 2018.

Sincerely yours in Christ,

Most Reverend Robert J. Carlson  
Archbishop of St. Louis

*Guest Column by Mr. Dave Baranowski  
Office of Stewardship, Archdiocese of St. Louis*

It's been my experience and observation over the past several years that when we help people align their thoughts and actions with God's plan for them, the result is Joy! And I'm not talking about regular joy, but Supernatural Joy. Joy that is infused by God! Joy that others notice and are attracted to. Joy that cannot be contained and bursts forth from you! Joy that you have to share with others! Joy that will lead you to its source - God the Father.

God wants to fill us with Joy. Free from worry. Free from anxiety. He wants us to trust in Him, like little children. He wants us to recognize the blessings He has provided and, then, share those gifts freely. He wants us to be active members of the Body of Christ, not just passive by-standers. He wants us to share our God-given gifts within our parish community and beyond; to find new ways to help others grow as joy-filled children of God. However, when it comes to our faith, many of us just dip our toes in the water, never experiencing the completely refreshing feeling of a personal relationship with God. Too few of us actually jump in with both feet, becoming completely immersed in God's love! But, this commitment is possible for all of us; it starts by placing our trust in Him and opening ourselves up to receive His love, mercy and forgiveness.

"Let the little children come to me...for the kingdom of God belongs to such as these." (Mark 10:14) Every adult at one time or another dreams of what it would be like to return to childhood, that carefree time when someone else took care of us and loved us unconditionally. What a miracle it is that this is exactly what God is offering to us. To be His child! To take care of us and to provide for us.

God's gift of life makes everything possible. All our accomplishments and relationships, all the luxuries and opportunities, everything we have and everyone who loves us is possible because we have been born into a wonderful world. A world we are called to nurture and care for, along with everything in it.

So what then? What about becoming like little children? Just as children believe in things not seen, we too, as adults, have to commit to a life of faith. Once we make the choice to trust in God – prayer, gratitude, humility, generosity and joy will no longer be things we are searching for, but things that flow immediately and naturally from our hearts.

Miss Molly Preschool A

Preschool A students are just the best. I hope they are having as much fun as I am. This week we worked on the body parts and the five senses. They did some great scientific work testing their sense of taste, smell, seeing, and feeling with all the different materials we had: rainbow daisies, lemons, limes, saltwater, sugar water, coffee and cloves. They all tried everything and were great scientists.

Mrs. Teresa Schmidt 1st Grade

In math, we have been busy learning about ways we can increase our addition fact fluency. In religion each child brought in some flowers for the Blessed Mother and we made her a birthday bouquet. We visited church, said some prayers and placed the flowers under her statue on the altar. We also visited her statue outside of church and stopped to sing, "Happy Birthday." In social studies, we just finished studying maps and created maps of our rooms, using a key and compass rose in our drawings.

Miss Woods 4th Grade

Fourth graders were excited to learn they have pen pals at Queen of Heaven School in W. Seneca, New York. They learned about the mailing process, and that things can't be delivered immediately, such as an email or text message as they anxiously awaited their first letters. When they arrived, they wanted to get right to work writing back to their pen pals.

Mrs. Connor 8th Grade Social Studies

Students in grade eight just completed making a sewing kit that was similar to those used by soldiers during the Civil War. They are beginning to learn about American history in the late 1800s.

## JOIN US AT THE LIFE CHAIN

ProLife Month is here This Sunday, October 7, is the date for LIFE CHAIN, which will extend from 2 to 3:00pm. Stay for the whole hour or leave when you must. LIFE CHAIN is a gathering of ProLife supporters who form a "chain" at Catholic Supply at Chippewa/Watson. We stand for Life, giving silent witness to the sanctity of Life, often praying the Rosary. When you arrive at Catholic Supply, go to the marked van on the lot, get a Respect Life sign, and take a spot along the sidewalk from the Jamieson corner to the east - both sides of the street. We do not stand in front of Ted Drewes. We invite you to join us for this event as we support the Culture of Life. May the Lord bless us all. Bring a chair if needed.

**KING TO QUEEN ROSARY RUN  
"DEVOTION IN MOTION"**

On the morning of **Saturday, October 13**, St. Mary of Victories Chapel in downtown St. Louis is winding up its 175th anniversary year with another 5K "Rosary Run" through the streets of St. Louis, similar to the one staged very successfully a year ago as a kickoff event. This is a public manifestation of our faith (small circular finger rosaries are provided for all runners), and it also has a pro-life emphasis: some participants are from the Life Runners apostolate that bears witness around the U.S. to the culture of life. This is a family event: participants can run seriously for times and awards, or just jog, walk,

run. Since St. Mary's is the area's Hungarian Catholic Church, the event is also simultaneously a Hungarian Fun Run for anyone with that ethnic background. For information and to register, go to [rosaryrun.com](http://rosaryrun.com). (It's called "King to Queen" since it starts at the Old Cathedral, dedicated to St. Louis (the King) and ends at St. Mary of Victories.)

**A PRAYER BEFORE HOLY MASS**

Heavenly Father: I, your unworthy servant, come to worship You in this Holy Sacrifice of the Mass. By Your grace, kindly help me to listen attentively, pray devoutly, and receive worthily the Sacred Body and Blood of Your Son, our Lord Jesus Christ. May Your Holy Spirit open the eyes of my heart to perceive more fully the great Mystery that takes place on the sacred altar. At this Holy Mass, I wish to pray in particular for the following intentions: *(here name them)*. Amen.
